BACKGROUND

MABFIX Co Ltd founded and incorporated in 2019 has its headquarters in Riche Terre. The company began its activities by providing maintenance services in all areas of civil works ranging from construction, through electrical, air conditioning and plumbing to refined finishing works spanning from landscaping to painting, woodwork, wallpaper, metal, ceramic and graphite finishes.

Our conduct projects for the government, para statetal bodies and private firms live villas and Hotels.

The high quality of the works completed, together with the competitive prices we propose and our high client centered approach has lead to our fast expansion and established our reputation as a reliable contractor in the industry.

Our versatility to handle small and multimillion projects efficiently and the broad spectrum of services offered, from refurbishing to handling new projects while maintaining a high client satisfaction, has been possible as our company's work force comprise of committed, experienced, qualified innovative and dynamic employees

The turnover of our company has been on an average of 10 millions for the past years and the expected turnover based on the projects in the pipeline for 2022 is 5-6 millions

Mabfix co ltd is a financially and technically strong company, which is growing into a market leader with its USP being client based approach and quality end product.

COMPANY VALUES

The company upholds the following values as a guideline to its operation and business transactions:

- Commitment
- Customer Value
- Teamwork
- Professionalism
- Flexibility / Adaptability
- Social Responsibility

VISION STATEMENT

Our vision is to be the most reliable company in providing sustainable solutions in construction works and services.

We strive to be the industry's partner of choice, by delivering quality and value in the various construction phases through providing integrated solutions and services that satisfy the needs of our customers.

MABFIX CO LTD always to create a safe working environment for its employees and clients.

MISSION STATEMENT

To help build, maintain and upgrade infrastructure through tailor made services and solutions that best suit our clients' business venture.

OBJECTIVES

Our objectives are to assist clients with various implementations of their projects, and we have confidence in our ability to generate the consensus and commitments necessary to succeed. We are prepared to stand behind our recommendations and to assist our clients with obtaining appropriate approvals to proceed.
